DEPARTMENT OF  
**Managed  
HealthCare**

# Definitions

- Tangible Net Equity (TNE) is a health plan's total assets minus total liabilities reduced by the value of intangible assets and unsecured obligations of officers, directors, owners, or affiliates outside of normal course of business.
- The required TNE for a full service plan is the greater of 1 million dollars or a % of premium revenues or a % of healthcare expenses.

# Definitions - Continued

- Excess TNE is the difference between total TNE and required TNE.
- Liquid TNE excludes receivables and fixed assets from the TNE calculation.
