

Legislative Update

November 7, 2019

Mary Watanabe
Acting Chief Deputy Director

Key Legislation

- AB 290 (Wood): Restricts the ability of financially interested medical providers from using donations to charitable organizations as a means to increase their reimbursement rates.
- AB 651 (Grayson): Prohibits balance billing by air ambulance providers.

Key Legislation

- AB 731 (Kalra): Establishes a rate review process for the large group market.
- AB 744 (Aguilar-Curry): Establishes payment parity for telehealth services.
