Sarah Ream, Chief Counsel

Fertility preservation reg

- Implements SB 600 (2019)—fertility preservation services are basic health care services that plans must cover
- The reg specifies what plans must cover when a covered treatment may cause iatrogenic infertility
- The Office of Admin. Law approved the reg in April
- Takes effect **July 1, 2025**
- Will be codified at 28 Cal. Code Regs section 1300.74.551

Provider Directories

- Will codify existing DMHC practices and requirements
- Two comment periods so far. Second closes today (May 28).
