

**2022 CHECKLIST and WORKSHEET FOR
 QUALIFIED HEALTH PLANS IN THE
 CALIFORNIA HEALTH BENEFIT EXCHANGE**

The Department of Managed Health Care (DMHC or Department) offers the following information to assist Individual Qualified Health Plans (QHP) and Covered California for Small Business (CCSB) Issuers for the Plan Year 2022, for compliance with the Knox-Keene Act at California Health and Safety Code sections 1340 et seq. This checklist and worksheet are not intended to be all-inclusive and represent only what issues, at a minimum, are required to be addressed by a health plan for compliance with the Act and Rules. Additional information as needed may be requested by the Department within the course of review of a health plan filing. For health plans licensed pursuant to the Act, the Department has primary responsibility for regulatory review and preliminary recommendations with respect to certain selection criteria identified by the California Health Benefit Exchange (Exchange) in evaluation of whether an applicant is in “good standing.” All licensure and regulatory requirements of the Act and Rules apply to product(s) offered through the Exchange.

- ❑ Specialized health plans that contract to provide EHB may also need to submit EOCs, disclosure forms, and provider network information on behalf of the full service health plan. QHPs should share this checklist with contracted specialized health plans to ensure the specialized health plan’s mirror filings include all Department requirements.
- ❑ Specialized health plans are not required to provide eligibility information in connection with catastrophic or AI/AN benefit plan designs within their EOC. Specialized health plans must file catastrophic and AI/AN Schedule of Benefits. Note, full service health plans must also include the information regarding those benefit plan designs in the full service health plan’s disclosure documents.

 - A statement within the Exhibit E-1 identifying the health plan with which the QHP intends to contract.
 - In some cases, Exhibits I-1, I-2, and/or I-3, as applicable, and Exhibit H-1. These need only be filed if the change in subcontracting health plan will result in a 10 percent or greater change to the QHP's network exhibits, as described in Rule 1300.52, subdivision (f) and Section 1367.27, subdivision (r). (The Department's templates for these exhibits are available for download on the e-Filing web portal).

- ❑ Financial projections may be requested by the Office of Financial Review, depending upon the financial position of the health plan. If projections are requested, they should mirror the format of the enrollment projections noted above.

Rate Review

- ❑ Instructions regarding SERFF filing(s) different than non-QHP rate filings will be forthcoming.
